False Alarm Crash Brings Injuries to 7

Local Station Owner, Wife Among Victims Of Auto Smashup

Seven persons, including a Redwood City service station operator and his wife, were injured Tuesday night in a San Mateo accident which police said was caused when a car of young people, following a fire engine answering a false alarm, crashed into a barrier, went out of control and collided headon with the machine of the local residents.

The Redwood City couple who were hurt are Fred Spiering, 41, of 272 Hudson street, operator of the Associated service station at El Camino Real and Broadway, and his wife, Constance. Mr. Spiering suffered facial lacerations; Mrs. Spiering, a back injury, possible leg, knee and arm fractures, and facial lacerations. She was taken to Mills Memorial Hospital.

STREET PARTLY CLOSED

Others injured, all riding in the car driven by Clyde Osborne, 20, of San Bruno, were the driver himself, who suffered facial lacerations; William Young, 19, San Bruno, chest injury; Irene Bush, 16, San Mateo, several upper teeth knocked out; Dorothy Price, 16, San Mateo, lacerated chin; Pauline Knapp, 16, San Mateo, cuts and bruises.

The accident occurred on El Camino Real at Ninth avenue, where street repair work is underway, causing partial closing of the highway.

The light rumble-seat equipped coupe of Osborne struck a road barrier, knocking down four red lanterns, before going out of control, careening to the left side of the highway and into the northbound Spiering car, traveling in the slow lane, according to San Mateo police.

THROWN OVER ROAD

The Spiering car was badly damaged. The Osborne car turned over, throwing the occupants onto the highway.

The accident occurred while the San Mateo Fire Department was answering what proved to be a false alarm call on El Camino Real in the southern part of San Mateo. Young Osborne's car, police said, apparently was in between two fire trucks that were speeding, several blocks apart, to answer the alarm. One fire truck driver reported the barrier was intact when he passed Ninth avenue. The other said the injured were strewn over the highway when he sped past the intersection.

ANOTHER WOMAN HURT

In another accident at San Mateo late yesterday, Mrs. E. B. Goodwin, 40, San Francisco, suffered facial injuries that sent her to Mills Memorial Hospital. She was hurt when her car spun around, hurtled over a 6-foot embankment, and turned over after colliding on the Bayshore near Bay Meadows with the truck of Dudley T. Baer, 26, Salinas, who was unhurt.

Lawrence Young, 21, of Millbrae, solicitor for a San Francisco newspaper, was cited by patrolmen early today for reckless driving on El Camino Real, near South San Francisco.

BOYS WHO TURNED IN ALARM HERE PROBATIONED

Two 16-year-old youths who left school when they were in the 7th grade and replaced schooling with a career that included setting several tree fires and turning in a series of false fire alarms were on strict probation today as the result of a hearing before Superior Judge A. R. Cotton .

Judge Cotton, lecturing the boys severely, put barbs in the six-month probation by declaring that if the youths did not report each week to Probation Officer Francis Robinson, stay home nights and behave themselves, he would amend his court order to send them to a reformatory.

The youths, arrested by Redwood City police who had been searching several weeks for the fire-setting vandals, were at first reported to be Sequoia high school students. School authorities pointed out that the pair had never finished grammar school.

'Packed Petition' Charge Is Made

Prior to opening their scheduled hearing on the salary budget, the board of supervisors Wednesday afternoon heard protests that petitions asking formation of a Menlo Park County Water District were "packed" with signatures of non-property owners.

After a heated hearing in which County Clerk Elmore B. Hinman was quizzed by Atty. J. E. McCurdy of Burlingame, counsel for opponents of the district, on alleged irregularities in the manner of filing of the petition, the board ordered E. A. Rolison, who will be county executive starting next week, and Engineer U. S. Marshall to study the district proposal and report back to the board next Wednesday at 3:30 p.m., when the hearing will be resumed.

Atty. James O'Keefe Jr. represented the petitioners.

P. E. Bush, president of the Menlo Park Taxpayers' League, formed to fight the district suggestion, accompanied a counter-petition signed by 458 residents and opposing an election on the proposal, with charges that the original petitioners had included 53 students at St. Patrick's Seminary and 53 members of the staff of the Veterans' Facility, non-property owners, in their lists of signatures.

The supervisors' meeting was held in the court chambers of department No. 1 to accommodate the large crowd present to hear the budget and water district discussions.

Lambert, Hull Aid Park Study

Charles G. Lambert, Redwood City realtor and former mayor, and Asa Hull, mayor of San Carlos, are among those just named by County Planning Commission Chairman C. A. Buck to a nine-man committee to investigate cost and financing of the acquisition of properties for the proposed Coyote Point cultural and recreational center near San Mateo.

Martin A. Poss, county planning commissioner and San Mateo City councilman, was named temporary chairman of the group. Others selected were Mayor Frank P. Simmen of San Mateo; Councilman Dave McCullough of San Mateo; William Casey, San Mateo real estate broker; Mayor W. W. Hives, Burlingame; City Manager E. P. Wilsey of San Mateo; George W. Coleman, Burlingame planning commissioner.

The committee's report on feasibility of developing the cost as a three-city-county project is expected to be ready for the next meeting of city and county planning commissions in August.

PERUSSINA'S SON SAILS

Robert Perussina, 18-year-old son of Highway Patrol Capt. and Mrs. Paul Perussina of Burlingame, was at sea today on the liner President Hayes, bound for a four-month world tour as a cadet in the ship's navigation department.

COAST FIRE EXTINGUISHED

The county fire department extinguished a two-acre grass fire Sunday afternoon near the Pigeon Point lighthouse on the coastside.

James G. Mason, Pioneer of M. P., Dies At Age 82

James G. Mason, who rode to California on the jolting bed of an ox-cart at the tender age of 6 and who lived in Menlo Park for 53 years as he watched the building, opening and growth of Stanford University, died Wednesday in his home at 445 Oak Grove avenue.

He had celebrated his 82nd birthday last February 4.

When a youth he clerked in the old M. J. Doyle Store, the only one then in the village of Menlo Park, and numbered Governor and Mrs. Leland Stanford among his customers.

When not clerking he kept books and served as assistant postmaster.

Fifty years ago when Governor Stanford officiated at the corner stone ceremonies for Stanford University, James Mason was the telegraph operator who flashed the rest of the world the news.

He served on the Menlo Park schoolboard for 21 years during the building of Fremont and Central Schools. He represented the old Well-Fargo Express Company in Menlo Park and during the war he was conscription registrar.

He was the husband of the late Mary E. Mason, and is survived by two children, Miss Mary Agnes Mason and Miss Elizabeth Mason, with whom he made his home.

Futility of War Is Told Students By P.A. Minister

Tieing in observance of the memory of the past with expression of the responsibilities of the present, the Rev. Paul L. Offenhiser of the Palo Alto Baptist Church appeared as the guest speaker at Sequoia high school this week at a student assembly in observance of Memorial Day.

Dr. Offenhiser was to have spoken to another student group tomorrow, but because school will be dismissed for the opening of the Golden Gate Bridge, his talk has been canceled, it was announced by Fred Blase, faculty member who arranged Dr. Offenhiser's appearance here.

Donald Cherry presided at the assembly, introducing the speaker, who pointed out the futility of war, telling of incidents depicting the unpleasant reality of war in contract to the waving of banners and marching of uniformed men. Pointing out that it has often been declared that the object of war is to establish peace, Dr. Offenhiser suggested that there were better ways of securing peace than by going to war.

The Memorial Day program also included community singing of the "Star Spangled Banner" and "America, the Beautiful" by the students, directed by Otis M. Carrington, and the salute to the flag.

Local Delegates To Foresters' Conclave Return

Redwood City's delegation to the state Foresters' convention, held in Marysville over the week-end, were back home today, after having aided in electing George L. Solari, secretary of Court Madrone lodge, as grand treasurer. Named grand chief ranger of the lodge was J. Harry Gallaheur, resident of San Bruno for 25 years. He belongs to Court Robin Hood No. 1, San Francisco.

GEORGE L. SOLARI
Elected State Treasurer

Solari, who had served two terms as grand lecturer and two terms before that as grand trustee, is the third Redwood City man to hold state offices in the Foresters of America lodge. In 1916 A. S. Ligouri was elected trustee when the lodge held its convention here. In 1930 Albert F. Bullivant was named trustee, serving for one year, then filling the position of grand lecturer the next year.

Solari, secretary of the local lodge for 12 years, had belonged here since 1920. The advancement to state treasurer is regarded as a substantial promotion for Solari.

Those attending the convention from Redwood City besides Solari were Joseph T. Clarkin, Jerome F. Macdonald, Roy Schrader and Eugene S. Badger.

P. A. Defeats Picketing Ban

PALO ALTO, May 25.—Pickets may picket, if they wish, in Palo Alto, without running afoul of the local laws.

The Palo Alto City Council last night unanimously approved a recommendation of the city's board of safety that a proposed anti-picketing ordinance be rejected.

The council's vote on the ordinance was met with applause from labor sympathizers who crowded the council chambers.

At the same session the council also voted to call a special election June 15 on a proposed Palo Alto municipal retirement system.

$25 Penalty Hits Speeder

Speeding at 70 miles per hour from Redwood City to East Palo Alto early this month brought a $25 fine to J. Landry, Saratoga, when he appeared here in Judge Edward I. McAuliffe's end-of-the-week traffic court.

Landry, arrested by Patrolman James Dalziel was one of three speeders arrested. The others, E. P. Falkensteine and W. A. McDonald, paid $2.50 fines apiece. They were cited by Redwood City police.

Marian Casey of Woodside also paid a $25 fine, for reckless driving, and had her license suspended 30 days.

As far as numbers were concerned, parking violators continued to occupy the limelight. J. H. McGregor, fined $2 for two over-parking tags, headed the list.

Others, who paid $1 each for parking offenses, were: Norma Caldwell, A. G. Richstatter, Harry Ramsey, B. C. Fletcher, Gus B. Hoffman, Mrs. John Boyle, Charles Gould, John Rasmussen, Aldina Cardoza, R. G. Barnes and William A. Rea.

Pomeroy Loses Planning Job In S. M. County

Board Abolishes Third Position; Campbell To Handle Post

In the "interests of economy" and "because his work has been completed," the $2400-a-year part-time job of Planning Advisor Hugh Pomeroy will be eliminated in the budget for the next fiscal year.

Third to fall before the keen financial axe of the board of supervisors, Pomeroy, at the same time that his dismissal was announced Monday, received an accolade of praise from the supervisors.

Announcement that Pomeroy's position, which he has held since 1931, would meet the same fate as that dealt the jobs of Publicity Director William McCarthy and Right-of-Way Agent Giles B. Johnson, came from Board Chairman Hugh Smith. He confirmed rumors that originated with earlier hints of shifts to come in the planning department of county government.

Kelly Now Says He Won't Leave With Executive

That he now has no intention of voluntarily quitting his position as purchasing agent was stated here this week by Stanley Kelley, who several months ago announced that he intended to resign at the same time that Walter T. Kellogg, retiring county executive, finished his term of office on May 29.

Kelly said that an injury to his side, suffered in a fall while he was on duty, is not sufficiently healed to permit him to start a new business, but is healed enough to allow him to conduct the office of purchasing agent. Kelly will fight any attempts to oust him, he declared.

From sources close to the supervisors have come insistent reports that ouster proceedings will be undertaken against Kelly, involved several months ago in an automobile accident while driving a county car, just as soon as E. A. Rolison succeeds to the Kellogg post.

Sequoia Student Passes Suddenly Of Meningitis

Victim of spinal meningitis, Donald Robert Sneed, 15, Sequoia Union High School sophomore and only son of Mrs. Margaret Sneed Hage of 148 Oakdale street, passed away shortly after 6 o'clock Monday morning at Palo Alto Hospital, where he had been rushed last night. He had been stricken during the night Saturday, and although three Redwood City and two Palo Alto physicians and firemen with an inhalator worked over him Sunday, they were unable to save his life.

While Bobby, as he was familiarly known to his friends, was not in the best of health, having suffered from a serious illness a little more than a year ago, he had been attending school as usual and only Saturday night had attended the play at the high school in which at first he was to have had a part. Because of his health, however, he had been forced to abandon plans to appear in "Bird in Hand."

Cheatham Resigns Port Board Post

A. B. Cheatham, local merchant, has submitted his resignation as a member of the Board of Port Commissioners of Redwood City to City Manager C. L. Dimmitt.

Cheatham told Dimmitt in a brief letter of resignation that it was necessary for him to give up the port commission duties because of ill health. Cheatham at present is confined in Palo Alto Hospital with a severe cold.

A successor to Cheatham will be appointed by the city manager, with approval of the city council.

Dimmitt said the position "would be filled shortly" because of the press of business facing the commission.

Redwood City's port commissioners last night interviewed the most recent of applicants for the position of manager of Redwood City's municipal port—Frank G. Pender of Vancouver, Wash., assistant manager of the harbor there. No action was taken on his or any of the other applications. Pender returned to his home this morning.

Steel Making Shown Local Exchangites

A description of the process of making steel, as recorded by the movie camera, was shown the Redwood City Exchange Club at its regular meeting Tuesday Theodore Karl, representative of the C. C. Langevin Company, San Francisco, presented the sound film and also discussed briefly recent developments in ship-to-shore communications, explaining in detail the workings of ship telephones. Pres. C. L. Stokes presided at the meeting.

Judge Delays Charter Suit Decision Here

Civic League Denied Right to Intervene In Vote Action

After a hearing marked by a rebuff for the Civic League and bitter exchanges between Dist. Atty. Gilbert D. Ferrell and Atty. Joseph J. Bullock, Superior Judge Maxwell McNutt took under submission Wednesday afternoon a mandamus writ seeking to force the supervisors to call a charter amendment election.

Throughout the two-hour hearing the legal tide of battle ran against Ferrell, who represented the board of supervisors, defendants in the action filed by Bullock for Frederick Peterson.

Early in the hearing Judge McNutt permitted William Mornesey to assist Ferrell as a "friend of the court" but denied the associate counsel for the Civic League the right to file an answer to the Peterson petition for a writ of mandate.

NO COURT STANDING

The judge ruled that Winfield Scott and Daisy Scott of Atherton, who, with the Civic League, sought to file the answer, were sufficiently protected by the answer prepared by the district attorney.

Bullock maintained that the Civic League, with members unnamed, had "no legal standing before this court."

Ferrell opened his attack on the petition he once defended before Judge A. R. Cotton in a previous test of the measure's sufficiency.

Charter Suit Is Submitted

(Continued From Page 1)

by declaring that the election provision of the Peterson amendments is unconstitutional and so closely interwoven into the petition that the election phase cannot be eliminated from it, so that the initiative measure "must either stand or fall" upon the validity of the special election provisions.

The Peterson amendment provides that successors to six appointive county officers should be chosen at a special election called within 20 days after certification of the amendments by the legislature.

Ferrell reiterated his oft-expressed stand that county officials can only be elected through the usual steps of primary and general elections, and that any provision to the contrary is unconstitutional.

Seeking permission to call witnesses to prove this point, and also to introduce the signed petitions as evidence, Ferrell lost out in a legal jousting with Bullock, the judge ruling there should be no need for witnesses, and that one of the petitions had already been presented in evidence by Bullock.

ATTORNEYS CLASH

The district attorney sought to prove that general law must rule in the calling of elections, but Judge McNutt pointed out that the election of officials by districts under the charter is contrary to the provision of general law, which provides for election at large, and that thus the charter need not conform absolutely to the general law.

During the hearing, as Bullock interrupted, Ferrell flared up at him several times, their verbal exchanges causing Judge McNutt to smile, and provoking Peterson, who sat in the audience as a spectator, to subdued chuckles.

Before taking the matter under submission, Judge McNutt said that it was his opinion that the question of "separability" of the special election provision of the charter was not material at the present hearing, and could be settled after an election were held.

Over Ferrell's protests as to the $20,000 cost of an election, which might be invalid, Judge McNutt ruled, "That is a matter which we can't enter into now."

CITES ELECTION LAW

Bullock made a brief presentation of his case, repeating his stand that once the county clerk has certified the sufficiency of petitions, it is mandatory upon the board to call an election.

He charged the supervisors "tried to thwart the will of the people in every way they could."

Bullock cited a law which provided a $1000 fine or prison term up to five years for officials who refused to comply with the election law.

This drew from Ferrell the protest, "Neither I nor the board of supervisors are worried about that section. Why don't you swear out a warrant against us?"

ARREST LOOMING?

"I haven't asked for your arrest, but maybe I will," was Bullock's rejoinder.

Prior to the submission of the case, Judge McNutt said, "All I'm interested in is whether this petition is consistent with the powers of electors as given in the constitution."

This will be the primary question he will decide upon, he said.

He asked Bullock and Ferrell to submit authorities for their arguments "within a reasonable time," indicating that it may be several days before he hands down a verdict.

LEGION PLANS TO SEND R. C. YOUTH TO 'BOYS' STATE' AT SACRAMENTO

Some lucky Redwood City boy will be sent, expenses paid, to Sacramento for a week's vacation from June 19 to 27, in which he will become a member of a "Boys' State."

This was decided Monday night by Redwood City Post 105, American Legion, at its annual charter night dinner at which the "Boys' State" was explained to the organization by Allison Scofield, San Francisco attorney and legionnaire.

Describing the new movement of the Legion as "our answer to Communism and Radicalism," Scofield explained that the veterans are now embarking on this youth activity as a means of teaching Americanism to youngsters. Boys from all over California will be sent to Sacramento for the week's outing, cost being $12.50 for each youngster. This includes housing, meals and tents.

When all the youths arrive, the various units of city governments will be set up. Then "counties" will be formed, then a "state." Boys will fill the various city, county and state offices, with all positions being represented—councilmen, mayors, police chiefs, judges, etc. This will afford first-hand study of the various governments represented.

Scofield explained that such "boys' states" now are organized in 11 states. When the total reaches 13, it is planned to form a nation, with an "original 13" states, to teach the boys how a nation is run.

"We are building a bridge of Americanism for boys, that they may learn true Americanism," Scofield explained.

The state fair grounds at Sacramento will be used for the outing, Scofield said. Registration is open till June 12.

Following Scofield's talk, the Legionnaires voted to authorize their executive committee to act to send a Redwood City youth to the "state."

This and the appointment of H. V. DeArmond, Tom Kane, Emmett Donnelly and Stanton Mullen as a boy scout committee constituted the only business at the dinner meeting, which was held at Sodini's Tavern.

Fred Crumb, committee chairman, presided at the dinner, with Maj. H. W. Edmonds, post commander, presiding at the meeting. Entertainment included accordion music by Armando A. Etiopi and community singing. Among guests introduced were C. H. Whitney and Dennis Deneen, district Legion officials, both of whom spoke briefly.

Hartwell and Argo Win Student Posts

Mason Hartwell was elected president of the Sequoia high school Boys' League, and James Argo, secretary treasurer of the organization, at the student election held this week at the school. The Boys' League is the organization through which boys' activities at Sequoia are promoted.

Son Lee has arrived from China after spending a year with his wife and family, whom he had not seen in 10 years. He has been in the employ as cook for Mrs. Stewart Middlemas for a great many years.

Father McDonough has begun his work in writing the history of St. Patrick's Seminary. It will be a wonderful book containing all events of the institution and a

Miss Jennie and Miss Catherine McCloskey of San Francisco visited friends here this week. The young women were raised in Menlo Park but have not been here in many years. Their father, the late John McCloskey, opened the first harness shop in Menlo Park. He was a friend of Senator Leland Stanford, and in the palmy days of the Palo Alto stock farm McCloskey made a portion of the harness used at the famous stock farm. He passed away many years ago.

Miss Edna Denhardt, niece of Miss Meta Kugeler and well-known here, will leave shortly for Europe to spend several months. The young lady is an employe of the city and county of San Francisco.

Mr. and Mrs. Mark Laughlin will depart for an European trip at the close of the school term here. Mrs. Loughlin is a teacher at the Central School.

Mrs. J. B. Kelly was dangerously ill last week at her home on Glenwood avenue. Her many friends will be pleased to learn that she is recovering.

Mr. and Mrs. George Angus depart on Tuesday for a tour of Europe. They will visit Mr. Angus' home in Switzerland. They will be gone all summer.

June 5 has been set for the rummage sale sponsored by St. Joseph's alumni. It will take place in the bank building, corner of the highway and Santa Cruz avenue. A vast number of articles will be offered for sale, donated by persons from all over the community. Rare bargains will be offered. The committee in charge is composed of the following young ladies: Miss Emily McCarthy, Miss Carmel O'Keefe, Mrs. Bryan Tatman, Miss Mary Roach, Miss Mary

ention of all the professors and students that were there from the beginning. Father McDonough will leave shortly for his old home in Connecticut to visit his aged mother and on his return will complete his work on the book. He spent two days at Redwood City looking over the files of the Times-Gazette, where he discovered much valuable data. He complimented the editor on the accuracy of these articles.

The city and county of San Francisco has purchased the right of way adjoining the railroad track for the Hetch Hetchy water main. An ancient Chinese house on the property, a land mark, has to be razed.

The funeral of Mrs. Honora O'Connor Maloney, one of the oldest pioneers in this community, who passed away last Friday at the ripe old age of 91, was interred in Holy Cross cemetery following a requiem mass at the Church of the Nativity and laid to rest with three of her children and husband, who had gone before.

Mrs. Maloney came to San Francisco from County Kerry, Ireland, as a girl of 19. There she met and married the late P. J. Maloney. The young couple settled at Half Moon Bay for a time, coming later to Menlo Park, to the Johnson farm of 400 acres, which comprised Stanford Park and the land adjoining Holy Cross cemetery. Mrs. Maloney was an efficient cook. No one left her house without enjoying her delicious meals. Many boys and girls long since grown to manhod and womanhood can testify to those toothsome apple pies she made. Mrs. Maloney lived a good and happy life. Her late husband was elected roadmaster of this township in the eighties and later assessor of the county for one term, being defeated for the second term by the late George W. Lovie.

Mrs. Maloney is survived by eight children, 24 grandchildren, and 19 great grandchildren. Those surviving are Thomas Maloney, a member of the San Francisco police, Mrs. C. Cullen, Mrs. J. B. Morey, James, Cornelius, Frank, and Miss Mamie Maloney. Six of her grandchildren acted as pall bearers.

Following a long illness, James G. Mason, an old pioneer of Menlo Park, passed away Tuesday of a heart attack. Mr. Mason came to Menlo Park in 1878 from Mountain View to work in the store of Duff and Doyle, holding a position there for many years. He left that employment to become local agent for Wells-Fargo & Co., succeeding Edgar Soper.

Mason was appointed postmaster by President Theodore Roosevelt in 1903, filling the position until 1913, when President Wilson took hold of the reins of the government. He partially retired after leaving office. Mr. Mason was highly respected in the community for his honesty of purpose and good deeds. During the war he was the local registrar of the draft, swearing in thousands of young men to bear arms for the flag. He was always very proud of the work he had done.

Mr. Mason was born near Salt Lake City, coming in a covered wagon to California at the age of seven. The funeral will take place this morning at the Church of the Nativity at 9:30 o'clock. The mass will be celebrated by his nephew, Father Francis Rock, teacher at St. Joseph's seminary, Los Altos. He is survived by two daughters, Miss Agnes Mason and Miss Bessie Mason, a teacher in the Burlingame school department. His wife predeceased him many years ago.

Much business was transacted at the regular meeting of Menlo Park American Legion Auxiliary Unit No. 443 Tuesday night. Mamie Bartges and Mildred McClure were obligated into the unit and will be initiated when the new corps of officers are installed next month. The following officers were elected to serve for the ensuing year: president, Clarissa Ross Sr.; first vice president, Mildred McClure; second vice president, Irene Boone; chaplain, Genevieve Cook; historian, Ethel French; sergeant-at-arms, Marguerite Blanchard; secretary-treasurer, Clarissa Ross Jr.

Mrs. A. Johnson, who will transfer to Menlo Park unit from an eastern auxiliary unit was present. Tentative plans for a dinner to be helding during the month of June were made. President Dora Scott Devol appointed Ethel French to serve on the committee composed of the various Palo Alto and Redwood City veteran auxiliaries, who will entertain Miss Mamie Robinson at a tea on Wednesday, June 3, at the home of Mrs. Carol A. Devol. Miss Robinson has been in charge of recreation at the U. S. Veterans Facility for the past several years and will be transferred some time in June to another government hospital.

Mr. and Mrs. W. H. Weeden and Isabelle Weeden Lindquist were called to Monterey Saturday by the death of their relative, Charles Edward Thomas. Mr. Thomas was a former resident of Menlo Park. Besides his widow, Mary Buckee Thomas, the following children survive: Mrs. Lois Anfinseu of Fresno, Charles Jr. and Miss Mary Thomas of Monterey, and Paul Thomas of the S. S. Lurline. Interment was made in El Carmelo cemetery in Pacific Grove.

Bands, Drum Corps Ready

One hundred and sixty musicians will take part in the Memorial Day services to be held in Redwood City Monday at 10 a.m.

The Sequoia high school band, McKinley school drum and bugle corps, the Salvation Army's 30-piece band from San Francisco, and the county American Legion drum and bugle corps will provide martial music for the parade which is to be a chief feature of the memorial observance.

In addition to these units, there will be more than 40 men under arms, including a detachment from the United States Naval Reserve. This detachment will fire the honor salute at the closing services at the cemetery.

SEA SCOUTS DRILLING

Redwood City's Sea Scouts, with Victor Hugo in command, will also join in the parade. The local tars have been drilling for two weeks to be in tip-top form for their part in the parade.

The uniformed detachment from the San Mateo American Legion Post No. 82 will act as guard of honor for the national flags. Stanton Mullen will head the detachment.

Police Chief C. L. Collins of Redwood City, in dress uniform, will lead the parade. Accompanying him will be Chiefs of Police Edward Wheeler of Atherton, Fred Johnson of Belmont and Edward J. Wheeler of San Carlos.

PATROL MEMBERS SET

Also in the parade will be a delegation of 90 members of the Redwood City junior traffic patrol.

Floyd Granger, chairman of the veterans' council, pointed out today that this year's celebration will be marked by the doing away with any distinction between World War organizations. Veterans will be assembled as one unit, known as "Veterans of the World War and their allies."

"We have made this possible to provide a place for the veterans not belonging to organizations, and for our allies of all wars who felt previously unable to join with us. In doing this we hope that this part of our program may become permanent.

Student Injured In Row Reported 'Out of Danger'

That Delbert Laurence, Sequoia high school sophomore injured over the week-end in a fight with a schoolmate, is "much improved" and "out of danger" was reported today by attaches at the Community Hospital, San Mateo.

Although Laurence is still too ill to be moved so that X-ray pictures may be taken of his head injury, physicians believe now that he escaped without the basal skull fracture which he was feared to have suffered.

Laurence hit his head on a rock after being felled by a companion's blow in a row that followed a slight collision between Laurence's bicycle and the other boy's automobile.

Laurence is the son of Mr. and Mrs. Uriel Laurence, 300 Eighth avenue, North Fair Oaks, and a cousin of Leroy Laurence, prominent high school athlete.

New Traffic Signal Set for Belmont

BELMONT, May 25.—Steps were taken last night by the city council to have a traffic signal installed at the El Camino Real-Ralston boulevard intersection. Mayor C. L. Jordan reported that the state highway commission had given permission for installation of the control system.

The council also decided to ask the Southern Pacific to install "safety islands" for pedestrians on the east side of the highway.

City Clerk Ray Kelly was asked to communicate with the Belle Monti Country Club asking that the "Belle Monti" sign on the highway at Ralston be removed.

The council also decided to have slides in Belle Monti caused by the recent rains, removed.

Street Work Up to Citizens

MENLO PARK, May 26.—If any Menlo Park streets are to be repaved the cost must be borne by the residents thereon acting by common assent, the city council last night at a public hearing on the subject advised petitioners who sought general resurfacing of Partridge avenue.

The city itself is powerless to expend its street fund for anything but repair and maintenance of existing pavements, Street Commissioner Irving Dunn advised the petitioners. Since the immediate need on Partridge avenue is resurfacing to protect the sub-grade, Dunn suggested that an association of property owners be formed to contract for the work. The street is already part of an assessment district and cannot join or create a new district until the old one expires in four years, Dunn said.

City Engineer Bert Mehl estimated that the Partridge avenue grade could be trued and a substantial surfacing applied at a cost to the abutting property owners of 50 cents a lineal foot.

Installation of nine street lights in the Felton Gables district was approved by the council and a recommendation that the board of supervisors authorize the work was forwarded.

Jerome Draper, representing residents in the district, appeared before the council in support of the lighting petition and also to ask the city's aid in obtaining a signal at the Encinal avenue grade crossing. He was informed that the Southern Pacific company has authorized the installation.

FLOWER PEDDLING ILLEGAL

Warning that flower peddlers who operate on the highways on Memorial Day will be subject to arrest unless they first obtain sales tax permits, was issued today by John C. Corbett, Board of Equalization member. "This type of operator is competing with florists who operate under an all year overhead," Corbett said, "and as a matter of justice to established dealers, the state will enforce strictly the provisions restraining retail sales by persons who do not have a sales tax permit."

A method of studying internal defects of vegetables and fruits has been developed. It employs a portable x-ray machine equipped with a fluoroscope.

Tragedy Strikes Again at Family Of Edward Stack

BURLINGAME, May 26.—Funeral services were held this morning at St. Catherine's Church, Burlingame, for Miss Rose Marian Stack, 63, sister of County Controller Edward M. Stack. She succumbed at her Burlingame home Monday, having never recovered from the shock of the recent death of her other brother, James Stack.

Interment was in the family plot at Holy Cross Cemetery.

Miss Stack had been in ill health since the March 14 death of her brother. She was stricken Sunday.

Tragedy nearly struck the Stack household a second time on Sunday when another sister, Mrs. Virginia M. Pohl, was injured in a fall as she rushed to summon a physician to aid her stricken sister.

In the fall Mrs. Pohl suffered serious foot and back injuries. Her condition today, however, was reported as "excellent."

Surviving Miss Stack is also another sister, Miss Christine M. Stack.

Cotton Upholds Sequoia Theatre In Damage Suit

Granting Atty. Edmund Scott's motion for a non-suit, Superior Judge A. R. Cotton denied here late Tuesday to Mrs. Marie Louise Hubbell, San Francisco apartment house manager, any part of the $50,000 damages she sought from the local Fox Sequoia Theatre for injuries she claimed she suffered in a fall July 18, 1932.

Scott's motion, made after a jury had listened to the case for several hours and received instructions from the court, brought to a close a suit that has been on the court calendar ever since June 13, 1933, when it was filed.

Mrs. Hubbell, 60, had charged that poor lighting in the theatre was the cause of her fall and consequent injury to both elbows. She cried in court yesterday while telling her case to the jury. Judge Cotton ruled that there was not sufficient evidence to sustain her claim.

A giant pie containing 12,000 cherries was baked in Portland, Ore., on the occasion of a police inspector's birthday.

Close Votes Mark Contest

DALY CITY, May 26.—Daly City will get a new $53,000 city hall and the fire alarm system will be extended into Colma, but voters yesterday rejected plans for a new library, city park, playground and water system extension. Only two measures of the six-point, $115,000 bond issue passed voters, the city hall proposition carrying by only 12 votes.

Approximately 30 per cent of the voters cast ballots. Because of the ordinance which requires a two-thirds vote to carry a bond issue and with an overwhelming majority vote in favor of the six proposals, it was not until all votes had been tallied that proponents of the improvements realized that they had lost in one of Daly City's closest elections.

Final returns were:

Library, yes, 843; no, 478.
City hall, yes, 884; no, 436 (carried).
City park, yes, 865, no, 466.
Playground, yes, 845; no, 459.
Fire alarms, yes, 879; no, 433 (carried).
Water system, yes, 857; no, 447.

Preliminary plans for securing a federal grant to aid in the construction of the new city hall on the site the present hall now occupies, will start at once, it was announced. The bond issue calls for $34,000 of the total cost.

$950 FOR CHILD'S BURNS

Norval L. Hunsperger, father of six-month-old John Hunsperger, filed petition here today in court seeking permission to compromise for $950 a claim growing out of injuries suffered by the tot when he was burned by a hot water bottle at Mills Memorial Hospital, San Mateo.

WIDOW TAXES $15,971

Emily Johanna Bruns, widow of Gerhard Bruns, wealthy San Mateo land holder who died January 27, must pay $15,971 in federal taxes out of the $95,881 estate bequeathed by her husband, it was revealed here today by the report of Appraiser James A. Lee. The state inheritance tax amounts to $1010.

PATROLMEN CALLED TO S. F.

Highway Patrolmen Walter Sequeira and John Hanlon have been called from their posts on the county highway patrol to take over temporary patrol duty in connection with the opening of the Golden Gate Bridge in San Francisco.

Many Pay Tribute To Honora Maloney

A host of friends and her relatives gathered Monday morning in Menlo Park to pay a last farewell to Mrs. Honora O'Connor Maloney, 91, San Mateo county pioneer who passed away Friday.

Following services at her home at 620 Santa Cruz avenue, Menlo Park, requiem mass was held at the Church of the Nativity at Menlo Park. Interment followed at Holy Cross Cemetery there. Pall bearers were grandsons: George Maloney, Jack Morey, Cornelius Cullen, Frank Morey, Frank Maloney and John Clothier.

Mrs. Maloney is survived by 8 children, 24 grandchildren and 24 great grandchildren.

Kellogg Lauds Choice Of Band for Fiesta

A congratulatory and highly complimentary letter from County Manager Walter Kellogg, commenting on selection of the Sequoia high school band to lead the San Mateo county contingent in the parade attending opening of the Golden Gate bridge Thursday in San Francisco, has been received by Principal A. C. Argo. Kellogg, who paid tribute to the capabilities of the band director, Max Gelber, declared that selection of the Sequoia band was "significant to success of the San Mateo county entry."

Chile supplies from its nitrate fields about 80 per cent of the world's iodine.

P. G. & E. Maps Plans For Improvements

San Mateo and Half Moon Bay improvements are included in $65,000 worth of maintenance and construction work being carried out on both gas and electric properties in the San Jose division, it was announced today by I. B. Adams, division manager of the Pacific Gas and Electric Company.

Streets lights in the coastside city are being replaced with new bracket type fixtures. In San Mateo line facilities are being relocated to the other side of Fifth avenue to permit installation by the city of sewer lines.

Some Japanese teas are dyed to improve their color.

Child Is Badly Cut Playing in Creek

Ardis Patte, 9-year-old Oakland girl, was recovering today from a badly gashed heel she suffered over the week-end when she stepped on a sharp object while wading in Cordilleras creek.

The child was a visitor with her parents at the Whipple road home of Mr. and Mrs. Fred Simmons. While playing in the creek, she suddenly screamed. Nearby residents rushed to her aid, finding that the child nearly cut off her heel. They gave her emergency treatment, then called a local physician. He discovered that a ligament of the child's right foot had been severed.

GRASS FIRE EXTINUISHED

FAT?
Lose 5 lbs. a week Safely or No Pay

If you are overweight and flabby, you can lose weight amazingly easy. There is no need to punish yourself with backbreaking exercise — no need to starve yourself and deny your body the foods you need for health.

Reduce by this DRUGLESS method

Thousands of women are getting back to normal weight easily and quickly by using WATE-OFF, a harmless food compound (no salts, no dinitrophenol, no drugs, no harmful laxatives). WATE-OFF is composed of vegetable and herbal ingredients that neutralize the body acids — thus preventing accumulation of fat. The instructions say: Take WATE-OFF before meals, then eat your hearty fill. "Results," users say, "are simply amazing." A tablet taken 4 times a day will cause unsightly pounds to melt away like magic — leaving no saggy, flabby or broken down tissue. WATE-OFF was advertised to millions in Pictorial Review, Physical Culture and other leading magazines at $2.45 per treatment. However, if you act now we offer you a full sized introductory treatment at only $1.19. Don't forget, if you are not satisfied with the results, simply return the empty carton and we will return your money.
